

## TRANSPORTATION AUTHORIZATION

(Please fill out and sign on reverse side.)

I, \_\_\_\_\_, am the \_\_\_\_\_ of \_\_\_\_\_.  
(print parent/legal guardian name) (relationship) (student's name)

The previously referenced student participates in extra-curricular athletic activities that require La Salle Catholic College Preparatory to transport him/her to and from off-campus locations for practice and/or competition (Athletic Events). I understand that without contrary written authorization from the parent or legal guardian of a student, the School requires the student to be transported to and from Athletic Events either by a family member or by means of school-provided transportation. (For purposes of this form, a "family member" means the student him/herself or a parent, legal guardian, aunt or uncle, grandparent, or sibling of the student. Please note that a student cannot be transported to or from an Athletic Event by any student who is not a family member, and that following an Athletic Event, school-provided transportation will return the student to the School campus. Also, please note that coaches may require students to travel to Athletic Events by school-provided transportation notwithstanding any contrary written authorization from a parent or legal guardian.)

In order that my son/daughter may be transported other than by school-provided transportation, I therefore give my authorization as follows (please check the appropriate boxes):

### TRANSPORTATION BY OTHER ADULT

My son/daughter may travel to or from Athletic Events with the following La Salle parent(s) or legal guardian(s):

- Any La Salle parent or legal guardian
- Any La Salle parent or legal guardian of a member of a team which my son/daughter is a member
- Any La Salle parent or legal guardian of the \_\_\_\_\_ team
- The following La Salle staff, parent(s) or legal guardian(s):
  
- My son/daughter may NOT ride with the following parent(s) or legal guardian(s):

### PARENT TRANSPORTATION OF OTHER STUDENTS

In addition, I understand that even with an appropriate authorization, the School will not allow a La Salle parent or legal guardian to transport a student who is not a family member to or from an Athletic Event unless the transporting parent or legal guardian has signed a written statement that he or she or a spouse is willing to provide such transportation. I therefore state that I and/or my spouse may transport another student as follows (please check the appropriate boxes):

- Any La Salle student
- Any La Salle student who is a member of a team which my son/daughter also is a member
- Any La Salle student who is a member of the \_\_\_\_\_ team
- The following La Salle student(s):

I understand and agree that the School's responsibility for supervising my son/daughter will be suspended during the time when he/she is being transported to an Athletic Event by a family member or other person in accord with this authorization and will end at the conclusion of any Athletic Event from which he/she is transported by a family member or other person in accord with this authorization. I further understand that the School will not be liable for any act or occurrence during the time the School's responsibility is so suspended or after the time as of which the School's responsibility has so ended.
