Why & How to Join Twitter & Facebook for La Salle News & Updates

Why is joining Facebook and Twitter important to me?

During the 2010-2011 school year, La Salle will be using social media tools such as Facebook and Twitter to relay news to our parents, students and staff at 'real time'. Reminders such as "Tomorrow is a liturgy dress day," updates such as "The Girls' Basketball team beat Madras 70-68 last night," and news such as "Victoria McDonald named 2010 Secondary School Librarian of the Year," will all be posted on La Salle's Facebook and Twitter pages. Of course, fun news, photos, and videos will also be shared throughout the 2010-2011 school year.
